

Chapter Reports August 2017

Rather limited reporting as many chapters meet very little during the summer.

Chapter 14 – Twin Cities

The June meeting included a report on the show in Tampere in May. July's main event was the Minnesota Stamp Show with many members exhibiting or giving talks at the show.

Chapter 27 – Colorado

May's meeting had a show and tell session and in June a presentation was made on "Bonsais on Stamps"

Chapter 9 – North New Jersey

Various members are planning a trip to the APS during the summer break.

Chapter 21 – Golden Gate

The chapter had several members at Westpex in late April and held one meeting the following month to review mart books. In August members went to the Western Philatelic Library to help organize material.

Chapter 17 – Southern California

Jerry Winerman has moved and Eric Roberts is now heading the chapter and as such the chapter will go dark for a time and be reconstituted at a later date.
