

WELCOME

Welcome Members and Friends to the Scandinavian Collectors Club launch of a new website for 2014 at: scc-online@org. Join us in exploring the great events, people and natural wonders of the world through Nordic stamps and postal history!

We are a non-profit philatelic society devoted to extensive research and education with an active membership spanning the globe. Our members are individuals and societies dedicated to collecting the stamps and postal history of Scandinavia with interests in the countries of Åland, Aunus, the Danish West Indies, Denmark, the Faroes, Finland, Greenland, Iceland, Karelia, North Ingermanland, Norway, Slesvig, and Sweden.

We are affiliated with the American Philatelic Society, the Royal Philatelic Society of Canada and Norsk Filatelistforbund and the annual NORDIA shows. Also, our members are active worldwide exhibitors, writers, judges and organizers of the major stamp shows.

We hope you enjoy a revelatory and inspiring journey through our highlights, exclusive features and comprehensive, interactive library here at our recently renovated online presence!
