

Welcome to the "Ring Type Study Group"!!

Hopefully you will find this an interesting and informative place to learn and take an active part in the study of the different stamps that the group will study. No study is ever over - we are always looking for additional copies. The Stamps are from Sweden, Scott Numbers 17 - 49 and #'s 50 and 51. First, my name is George A. Kuhhorn. I have been a member of the S.C.C. for 47 years. Please feel free to contact me on the internet at geostamps@hotmail.com if you are interested in joining the Study Group, or snail mail at P.O.
