Section 1. Name. The name of the corporation shall be: Scandinavian Collectors Club (the "Club"). It is the successor to the club organized in New York City on November 25, 1935 and later incorporated in Illinois on April 26, 1960 as a not-for-profit corporation.

Section 2. Purposes. The club shall promote fellowship and communication among collectors and students of Scandinavian philatelic material, develop and disseminate information about such material, and provide appropriate services to collectors and students of such material.

**ARTICLE II—Membership**

Section 1. General Qualifications. Membership shall be open to any person of good character with an interest in Scandinavian philately.

Section 2. Applications. Applications for membership shall be made on a form provided by the Secretary. All applications shall be accompanied by the required dues and fees. In the event membership is denied, the amount submitted shall be promptly refunded.

Section 3. Fees and Dues. Dues for each fiscal year for Active members shall be fixed by the Board of Directors. Persons submitting applications for membership after June 30 of any year shall submit half of the annual dues for that year and full dues for the following year. The Board of Directors may fix an application fee to be paid by all new members. No dues shall be paid by Life or Honorary members.

Section 4. Approval. The secretary shall approve the application of any person who appears to be of good character and who certifies that he has never been expelled from membership in any philatelic society or club. Applications not approved shall be returned to the applicant. Any applicant whose application is not approved may request reconsideration by the Membership Committee, consisting of the Vice President as Chairman and two members in good standing appointed by the President, which shall make such investigation as it deems appropriate. The applicant may submit any pertinent information. The decision of the Membership Committee shall be final.

Section 5. Classification. Membership shall consist of Active, Life and Honorary members.

(a) Active members are all members who are not Life or Honorary members.

(b) Any Active member may become a Life member upon payment of an amount equal to twenty times the annual dues. Life members shall have all the rights and privileges of Active members.

(c) Honorary membership may be conferred at the discretion of the Board of Directors on any person for outstanding achievement in Scandinavian philately or for activities extraordinarily benefiting the Club. Nominations for honorary membership shall be made in writing to the Secretary, and be signed by at least six members in good standing. Each nomination shall be reviewed by a temporary national committee which shall report its findings in writing to the Secretary.

Section 6. Good Standing. An Active member shall cease to be in good standing when his dues for any calendar year shall not have been paid by June 30 of that year. A member who has been expelled or suspended or resigns shall cease to be in good standing.

Section 7. Voting Rights. Each Active member in good standing, each Life member, and each Honorary member who was an Active member in good standing or a Life member when honorary membership was conferred, shall have one vote on all matters submitted to a vote of the membership and in all elections.

Section 8. Record Date for Voting. The Board may fix any date not less than ten (10) nor more than fifty (50) days prior to any meeting or mailing of ballots as a record date for membership and good standing for that meeting or vote. If no record date is fixed, the record date shall be the date of mailing (in the case of a vote by ballot) or the date of the meeting. The record date for election of officers and for any ballot submitted with the election ballot shall be October 15.

Section 9. Resignation. Any member may resign by submitting a written letter of resignation to the Secretary, provided that any resignation by a member who has any outstanding obligation to the Club or who is the object of any proceeding for expulsion shall not be effective unless and until approved by the Executive Committee.

Section 10. Nonpayment of Dues. An active member whose dues for any calendar year have not been paid by December 31 of such year shall cease to be a member, unless otherwise ordered by the Board of Directors or unless the member has any outstanding obligations to the Club.

(e) Charges of such conduct shall be in writing, and may be preferred by the Membership Committee or by any officer or by any member in good standing. All charges shall be definite and specific. Charges shall be filed with the President. If the President finds that the charges are sufficient and that mediation will not resolve the problem, he shall refer the matter to the Membership Committee for investigation and hearing. A copy of the charges and notice of the time and place of hearing them shall be given to the member against whom they are preferred, either in person or by certified mail, not less than thirty days prior to the date fixed by the Membership Committee for the hearing thereof. On or before that date the member against whom the charges have been preferred shall have the right to file an answer in writing to the charges against him.

(f) Charges preferred against a member shall be investigated in such manner as the Membership Committee thinks proper. At the hearing of such charges the Executive Committee shall consider the results of its investigation

and all evidence, including correspondence and other documents, submitted in support of and in defense against the charges and shall make findings in writing thereon, and in case it finds the charges are sustained, shall recommend the penalty of suspension for a definite period or expulsion. The Membership Committee shall report its findings and recommendation to the Executive Committee and shall serve a copy thereof upon the member involved by registered or certified mail, return receipt requested. The member may file objections to the report with the Executive Committee within twenty-one days of the mailing of the report to him. The findings of the Executive Committee and the penalty imposed when the charges are sustained shall be entered upon the journal of the Executive Committee and a separate file of all data pertaining thereto shall be permanently preserved by the Secretary.

(g) When charges against a member are referred to the Membership Committee, immediate notice thereof shall be given by the President to the Secretary, and the findings of the Executive Committee and the penalty imposed under any subsection of this Section 11, if any, shall likewise be filed with him and entered upon his records. The findings of the Executive Committee and the penalty imposed, if any, shall also be published once in the Posthorn.

The notice of appeal shall be filed with the Secretary within 30 days of receipt of notice of the findings of the Executive Committee. The Executive Committee shall thereupon transmit to the Board of Directors all evidence and other data in its possession relating to the charges, and the appeal shall be determined by the Board of Directors without undue delay. The findings of the Executive Committee and the penalty imposed by it shall be final if no appeal is taken.

Section 12. Reinstatement. (a) Any former member who has resigned from the club while in good standing shall be reinstated upon his written application and upon payment of dues which would have been required of him as a new applicant.

Section 9. Reports. Each chapter shall file a written report each year during the month of January on a form furnished by the Secretary in December of the preceding year, setting forth such information as the Board may reasonably require.

Section 10. Suspension or Dissolution. (a) A chapter shall be automatically suspended on February 1 of any year in which it has failed to file its written report. Such suspension shall continue until the chapter has filed its written report.

(b) A chapter shall be automatically suspended if its annual report fails to show compliance with the requirements of sections 5 and 6 of this Article or if the number of Club members who are members of the chapter shall be shown to be less than five. Such suspension shall continue until the President and Secretary of the chapter shall certify in writing to the Secretary of the Club that the conditions causing the suspension have been cured.

(c) A chapter may be dissolved by the Board if the Chapter has been suspended for a period of more than one year.

Section 11. Reinstatement. A dissolved chapter may be reinstated upon application in the same manner as the formation of new chapters.

## ARTICLE XII—Fiscal Year, Contracts, Loans, Checks and Deposits

Section 1. Fiscal Year. The fiscal year of the Club shall commence on the first day of January and end on the last day of December in each calendar year.

Section 2. Contracts. The Board may authorize any officer or officers, agent or agents, to enter into any contract or execute and deliver any instrument in the name of and on behalf of the Club, and such authority may be general or confined to specific instances.

Section 3. Checks, Drafts, etc. All checks, drafts, or other orders for the payment of money, notes or other evidence of indebtedness issued in the name of the Club, shall be signed by such officer or officers, agent or agents of the Club and in such manner as shall from time to time be determined by resolution of the Board.

Section 4. Deposits. All funds of the Club shall be deposited in such account or accounts of the Club as the Board may from time to time establish in accordance with procedures established by the Treasurer.

Section 5. Gifts. The Board may make gifts, grants, or loans to chapters or other non-profit philatelic organizations or to other non-profit organizations whose activities will further the purposes of the Club on such terms as the Board may deem in the best interests of the Club.

Section 6. Books and Records. The Treasurer, all division managers, and all other officers or agents of the Club who shall have any funds of the Club or any division in their possession shall keep such books and records as shall enable them to fully account for all such funds.

Section 7. Audit. The Board shall cause an audit to be made by one or more members of the Club or by an independent Certified Public Accountant of the books and records kept by the Treasurer, each division manager, and such other officers and agents as the Board shall find had custody of the funds or accounts of the Club, at such intervals as the Board may determine, provided that an audit of the accounts of the Treasurer and each division manager shall be made upon the expiration of the term for which such officer was elected or appointed (regardless of whether such officer is reelected or reappointed), and upon the resignation or removal of any such officer prior to the expiration of such term.

## ARTICLE XIII—Parliamentary Procedure

Section 1. Adoption of Rules. The Board or any committee thereof, including the Executive Committee, and any national committee, may adopt rules of procedure not inconsistent with these by-laws, the Articles of Incorporation of the Club, or statute.

Section 2. Parliamentary Authority in Absence of Rules. Procedure at meetings of members, the Board or any committee thereof, including the Executive Committee, and any national committee, shall be governed on all points not covered by statute, these by-laws, or rules adopted in accordance with Section 1 of this Article, shall be governed by Sturgis Standard Parliamentary Procedure, Revised Edition.

## ARTICLE XIV—Amendments

Section 1. Proposals by Members. Proposals for amendment of these by-laws may be made in writing, signed by five members in good standing. All such proposals shall be filed with the Secretary and shall state the name and address of the member to whom comments shall be submitted and shall be accompanied by a short statement of the reasons for the proposal.

Section 2. Review. All proposals by members shall be referred by the Secretary to the By-Laws Committee, a committee of not less than three members in good standing. The By-laws Committee shall recommend either (1) that the proposed amendment be submitted to a vote as proposed; or (2) that the proposed amendment be submitted only after revision to coordinate provisions therein with the existing by-laws or to improve the language or substance thereof, setting forth the revisions proposed; together with its recommendation for passage or rejection of the proposed amendment and the reasons for its recommendations and any alternative proposals the Committee deems desirable.

Section 3. Committee Proposals. The By-Laws Committee shall review any suggestions or proposals transmitted to it by any member of the Board for improvements or changes in the by-laws and report thereon in writing to the member transmitting the request and the Executive Committee. The Committee shall also periodically review the by-laws and report to the Board any recommendations for amendments which the Committee finds desirable.

Section 4. Action on Proposals. In the case of a proposal by members, the report of the By-Laws Committee shall be transmitted to the person designated to receive comments, if the By-Laws Committee shall recommend either changes in the proposed amendment or an alternative amendment. If the changes or alternative shall not be accepted, the original proposal shall be submitted to a vote together with the changed or alternative proposal, or both, as the Board shall determine by resolution. In the case of By-Laws Committee proposals, the Board shall determine by resolution whether any such proposal shall be submitted to a vote.

Section 5. Voting on Amendments. (a) Amendments submitted to a vote shall be published in the Posthorn together with a ballot for voting thereon and the statement of the proposers of the reasons therefor (if proposed by members) a summary of the report of the By-Laws Committee thereon and a statement of the date, not less than 30 nor more than 60 days subsequent to the date of mailing of the Posthorn, by which ballots shall be returned to the Secretary. The Secretary shall tally the vote.

(b) The Board may direct that the vote on any amendment proposed be held concurrently with the election of officers, if feasible. The materials required by subsection (a) of this section shall then be mailed by the Committee on Elections and the ballots handled in the same manner as ballots for the election of officers.

(c) The Secretary or Committee on Elections, as the case may be, shall promptly report the results of the vote to the Board. The results shall be published in the Posthorn at the earliest date practicable.

Section 6. Vote Required. No amendment shall be adopted unless voted upon by 100 members in good standing or 20% of the whole number of members in good standing, whichever shall be less, and unless a majority of the number voting thereon shall vote in favor thereof. In the event that alternative proposals are submitted to a vote, only the alternative receiving the greater number of votes shall be considered adopted.

## Carl E. Pelander Award

The "CARL E. PELANDER AWARD" was created in 1968 to perpetuate the memory of Carl E. Pelander, one of our founders. His outstanding characteristic was his willingness to assist his fellow philatelists in all phases of Scandinavian philately.

The award shall be presented at suitable intervals to a member or members of the Scandinavian Collectors Club for outstanding work in furthering the aims of the Club and Scandinavian philately. Recommendations for the award may be made by any member or chapter of the Club. A recommendation shall be accompanied by a written statement of the qualifications of the candidate. All recommendations shall be mailed to the Secretary of the Club.

Prior to any regular meeting of the Board of Directors, the Secretary shall mail notice of all recommendations to the members of the board, together with copies of the statements of qualifications received by him. The Board may defer action on the recommendations to a subsequent meeting or act at the first presentation of such recommendations. Upon affirmative vote of a majority of the Board, the award shall be made.

A suitable plaque shall be given to the recipient of the award. The presentation shall take place at a regional or national meeting of the Club.

In 1968, SCC Honorary Member Carl H. Werenskiold was awarded the first "Carl E. Pelander" award, in recognition for his continuing philatelic research.

In 1972, SCC member Harlan W. Miller was awarded the second "Carl E. Pelander" award in recognition for his services to SCC for more than 25 years.

## SCC Chapter Award

A "wandering" type SCC Chapter Award is to be presented to the chapter who exhibits the best 1-frame display at a national SCC meeting where the chapters will compete in a special Chapter Class.

The winning chapter will keep the award until the next competition, and then turn it over to the new winner (unless it manages to retain it), but will receive a miniature to keep.

# SELLING?

Getting the best price for your Scandinavian collection means selling to a dealer who knows the value of your stamps. Being Scandinavian specialists, we pay proper value for specialized material. When we appraise a collection, there is no guessing at market value as our Scandinavian auctions are an international market place for general and specialized Scandinavian stamps.

The rapid growth and success of our auctions allows us to be very competitive as cash buyers. We are small enough to be interested in better single items, and large enough to professionally and financially handle large collections. We will travel for important properties.

# Rules For Expert Committee

## Section 1. Organization.

This committee shall consist of a chairman, appointed by the Board of Governors of the S. C. C., and as many examiners as he may find necessary to cover all fields of Scandinavian philately. These examiners shall preferably be selected from members of the S. C. C., and shall be approved by the Board of Governors.

## Section 2. Purpose.

The objective of this committee is to aid in the suppression of faked and counterfeit philatelic material of the Scandinavian countries through the following activities:

a. To identify, record, and describe such material, if possible with photographs and/or color slides, submitted by collectors or dealers, whether or not members of S. C. C.

b. To publish such descriptions, with illustrations, in *The POSTHORN*, for the guidance of members and others. To publish these descriptions in book form, upon approval of the Board of Governors, when and as the amount of material and conditions warrant, for the further dissemination of this information.

c. To collect and preserve all such material, when donated to S. C. C. for future use and reference by the Committee and interested members of S. C. C., thereby permanently removing from circulation as much of this material as possible.

d. To cooperate to the fullest extent possible with other expert committees of established philatelic societies and such other persons and institutions as the Board of Governors may authorize.

e. To assist the members of S. C. C. in identifying suspect material, if necessary charging a fee sufficient to cover the cost of postage and photographing, unless such material upon being found to be faked or counterfeit is donated to S. C. C.; such fee, however, to be approved by the Board of Governors.

## Section 3. Procedures.

a. Members are encouraged to submit known fake or counterfeit material to the Committee for recording and publication. The member may, if he wishes, submit his own description of the material, which will be checked by one or more of the examiners before publication. If the member does not submit a description, or if the description as submitted is deemed inadequate, one will be furnished by the examiner(s). Upon publication in *The POSTHORN*, credit will be given to the member submitting the material.

b. Members are encouraged to donate fake or counterfeit material to S. C. C. for the purposes named in Section 2-c. Such donations will be acknowledged in *The POSTHORN*.

c. Members may submit suspect material to the Committee for examination and an opinion. Members are encouraged to donate such material to S. C. C. conditioned on its being found to be faked or counterfeit.

d. All communications, with or without material submitted, should be addressed to the Chairman of the Committee, who will refer it to the appropriate examiner(s). The Chairman will be responsible for maintaining the files on correspondence, records and descriptions, and donated material.

# Scandinavian Stamp Mart

A Service of the Scandinavian Collectors Club

## REGULATIONS

### I. GENERAL

1. The Scandinavian Stamp Mart (S.S.M.) is a service for the buying and selling of Scandinavian philatelic material only, and is operated exclusively for members of the Scandinavian Collectors Club (S.C.C.)

2. While S.S.M. maintains insurance for philatelic material in its custody, it shall not be liable for possible loss or damage to material in the hands of a buyer, who is solely responsible for material entrusted to him. S.S.M. will, however, act as agent for a seller in the event of loss.

3. All material to be sold through S.S.M. must be mounted in the special Mart books, which are available from the Mart Manager at prices published in The Posthorn. Currently there are four types available:

A. 12 page, 144 space (blue cover) book designed for stamps with a Net Sales value between \$20.00 and \$400.00.

B. 6 page, 72 space (yellow cover) book designed for stamps with a Net Sales value between \$200.00 and \$400.00.

C. 20 page, 500 space (beige cover) book designed for stamps with a Net Sales value between \$20.00 and \$50.00.

D. 40 page, 1,000 space (green cover) book designed for stamps with a Net Sales value between \$20.00 and \$100.00.

4. Sales books of stamps are accepted and retired at the discretion of the Mart Manager, who shall not be responsible for classification or pricing of stamps contained therein. When possible, corrections will appear (green ink) for the guidance of buyers.

5. All sales are final, and full payment must accompany the returned Mart books (check or money order should be made payable to "Scandinavian Stamp Mart"). Foreign (including Canadian) checks or money orders will NOT be accepted unless drawn on a United States bank and payable in United States dollars at par.

6. S.C.C. Chapters desiring selections of Mart books must appoint a Chapter Mart Representative who will exclusively handle the chapter's business with S.S.M.

7. The Chapter Mart Representative is charged with the receipt, handling, and return of Mart books. He will retain 5% of the net sales amount to defray cost of return postage and registration expenses. It is suggested that chapters underwrite any additional expenses in the few cases involving exceptionally large shipments.

8. The Mart Manager is not able to handle want lists for specific stamps.

### II. SELLERS.

1. Sellers will have a 20% service charge deducted when payments are made. There will be no charge for stamps not sold. The service charge reflects sales commission and other expenses essential to the operations of S.S.M.

2. Stamps should be mounted with NEW hinges in catalog sequence, one stamp to a space. No overlapping or mounting beyond space or page area will be permitted. i.e.: Two or more spaces should be used for pairs, blocks, covers, etc. If possible, a Mart book should contain material from only one country.

3. Use only BLACK or BLUE ink to mark catalog numbers, catalog values and Net sales prices. Pencil or colored inks are not acceptable (Green ink is for the exclusive use of the Mart Manager). Sellers must indicate in the space provided on the inside front cover of the Mart book which catalog is used for classification.

4. Sellers are advised that buyers are familiar with "Scott" and "Facit" catalogs, and experience indicates that stamps sell well when priced at about "1/8 Scott." Do not try to sell at much higher prices unless a classic rarity is involved. Mint stamps usually sell for a little more. The Mart Manager may return books if in his opinion the material is overpriced and might not sell.

5. Sellers must total each row (on line extension) and total each page, and furnish the Mart Manager with the total value of each book in a separate note. Under no circumstances shall anyone write anything on the outer covers of the Mart books, these being for the exclusive use of the Mart Manager.

6. Philatelic covers are desired and permitted with limitations. Due to weight, only TWO 20th Century covers are allowed per book (fillers or stiffeners must be removed). Classic covers, with original letters or explanations, are of course welcome in any quantity. Covers should not extend beyond the edge of a page, and should be mounted securely with mounting corners.

7. New Mart books must have a net (retail) value of at least \$20.00.

8. Under no circumstances may blank pages be removed. If not used, just cross them off.

9. Damaged stamps (tears, repairs, rounded corners, thins, etc.) are not usually wanted—unless they are desirable varieties or cancels—and are offered at substantial discount from catalog prices.

10. Retirement of Mart books will be at the discretion of the Mart Manager. However, books are ordinarily retired at 24 months. Retired books will be returned to owners with a full and final accounting. Sellers who wish their book(s) retired earlier should give the Mart Manager reasonable notice.

### III. BUYERS.

1. Individual members may, upon request, receive shipments of Mart books directly from the Mart Manager.

2. An individual buyer shall, within 10 days, return Mart books entrusted to him with full accounting of purchases on the prescribed sales report forms and payment in full for purchases. To avoid incorrect charges, the buyer shall mark his name or initials or SCC number in the upper left portion of each space from which a stamp is removed. For sales through Chapter Mart Representatives, the Chapter Mart Representative shall check chapter sales and mark the upper right portion of the space from which a stamp was removed with his Chapter rubber stamp (furnished by S.S.M.). The lower half of each space is reserved for the audit stamps of the Mart Manager.

3. Please respect and handle the Mart books with care—as if they were your property, because you are responsible for all stamps removed, whether the spaces from which they were removed are numbered, initialed, named or blank!

4. Please report discrepancies to the Mart Manager on a separate paper. Do not write anything in the Mart books, except your name, initials or S.C.C. number in the space(s) from which you remove stamp(s).
