"The Bank of Scandinavian Philatelic Knowledge"

40 Year  
INDEX

Compiled by Robert C. "Bob" Gross

OFFICIAL PUBLICATION OF THE SCANDINAVIAN COLLECTORS CLUB

## INTRODUCTION

This Index represents 40 years of articles primarily on Scandinavian Philately which appeared in 156 issues of THE POSTHORN from November 1943 through November 1983. During that time the size of THE POSTHORN has grown from an average of eight pages to our current bound editions which average between 72 and 80 pages per issue. And our circulation has grown from less than 100 to 1400 currently. During that period there have been nine Editors, including the current Editor.

THE POSTHORN has become the leading authority and publication on Scandinavian Philately and its slogan "The Bank of Scandinavian Philatelic Knowledge" is truly just that—an authority and reference of great value to the Scandinavian collector.

The format of this index has been changed from that used in our previous index which was published in 1971. Due to the tremendous number of articles that have been published it would be financially impossible for us to include each one of them. The results of the recent survey published in the November 1983 issue indicate that 80.49% of those participating in the survey favored limiting the listings in the Index to those that have philatelic historic and research value. Therefore, we have eliminated items pertaining to Chapter News, Literature Reviews, Election Information, New Issues, Exhibitions, etc.

The articles that are left are those which will be of definite value to anyone doing research on philately in Scandinavia. Of these articles which are listed in the Index, 90.9% can be classified by Country. Since most of our members are specializing in one or more countries, we have therefore grouped these articles under Country headings as follows:

DANISH WEST INDIES (INCLUDING U. S. VIRGIN ISLANDS)  
DENMARK  
THE FAROE ISLANDS  
FINLAND (INCLUDING THE ALAND ISLANDS)  
GREENLAND  
ICELAND  
NORWAY  
SWEDEN

The remaining 9.1% of the articles listed in this index have been grouped under the following headings:

SCANDINAVIA—Those articles pertaining to more than one Country or to Scandinavian Countries in general.

GENERAL—Those articles not related specifically to Scandinavia.

SCANDINAVIAN COLLECTORS CLUB—Those articles which are of value as a history of the Scandinavian Collectors Club.

Unlike our previous indexes, we have not attempted to use sub-titles for grouping these articles. Instead, the articles are arranged within each heading strictly in alphabetical order.

One other change has been made. Our prior indexes indicated year and page number. Sometimes this resulted in having to check several issues to obtain the one with the proper page number. In this index we have listed articles by Month, Year, and Page Number to facilitate easier locating of the desired articles.

Twelve supplements have been issued by The Scandinavian Collectors

Club as listed below and these, too, are included in the Index:

- Oct. 1960—Greenland Postmarks Since 1938 by R. King-Farlow and Eric Wowerm.  
 Oct. 1964—Norwegian Railway and Steamship Parcel Stamps by Frederick A. Brofos.  
 May 1972—Index compiled by Carl H. Werenskiold.  
 Aug. 1972—Scandinavian Collectors Club By-Laws and Services.  
 Nov. 1973—Norway Shaded Posthorn Ore Issues, Types by Carl H. Werenskiold.  
 Feb. 1975—10-ore Norway (Norway Catalog #36) by Carl H. Werenskiold.  
 May 1975—Danish Postal Rates (1624-1965) by H. E. Tester.  
 May 1978—Library Index edited by Ernst M. Cohn and Joe F. Frye.  
 Aug. 1978—Iceland—A Bibliography (Philatelic Books and Articles in the English Language) compiled by Lester Winick.  
 Nov. 1981—Scandinavian Collectors Club By-Laws and Services.  
 Nov. 1982—Library Index compiled by Stanley H. Hanson and edited by Robert C. Gross.  
 May 1984—40-year Index to THE POSTHORN compiled by Robert C. Gross.

We feel that this listing of 1,029 articles and twelve supplements will provide access to the largest accumulation of Scandinavian Philatelic Articles in the World.

This 40-YEAR INDEX TO THE POSTHORN is dedicated to all of the Club Officers and THE POSTHORN Editors and their staffs and to our Printer. All of these individuals have endeavored to provide the membership with a quality publication throughout the years. It is through their combined efforts that THE POSTHORN has become the World's outstanding publication on Scandinavian Philately.
