Brief History

On November 25, 1985, the SCANDINAVIAN COLLECTORS CLUB will be celebrating its 50th Anniversary. During that 50 year period there were four definite eras in its development.

The first era, "Finnish-American Stamp Club", started when six collectors met and organized the club on November 25th, 1935 in New York City. It continued under this name until February 13, 1942, when 17 members met, 14 voting to change

the name of the organization to the "Scandinavian Collectors Club of New York."

The second era is the "New York" era. By November 1943, the Club had 42 members and published the first issue of THE POSTHORN. There were two categories of membership, resident (New York City area) and non-resident. Only resident members were officers of the Club, but separate chapters were encouraged. The end of this era probably started in 1958. By then, over 800 membership numbers had been assigned and six chapters had been organized. In late 1959, the members voted to change the name of the club to the "Scandinavian Collectors Club."

The third era is the "Chicago" era, or more appropriately, the "national" era. On April 26, 1960, the Club was incorporated in the State of Illinois and all officers were from that area. There were again two membership categories, active (residents of USA) and associate members. Only active members had voting rights. The Board of Governors was expanded to include the Chapter Presidents. After operating from Chicago for six years, the Board decided to broaden the geographical area represented by the officers.

The fourth era, "the international era", came into being when, on June 22, 1972, a new set of By-Laws was adopted and the Club was reincorporated in the State of Maryland. All members, no matter where residing, had equal voting rights. A new group, The Executive Committee, was formed to run the club when the full Board of Directors were not available for a quorum. Except for minor changes, the By-Laws have remained unchanged since that date.

The first issue of THE POSTHORN, the Club's official publication, was dated November 1943 and was an 8-page typeset publication. This has grown into the modern "Bank of Scandinavian Philatelic Knowledge," the new POSTHORN which averages from 64 to 80 pages per issue.

Over the years many other services were added including Study Groups, a Stamp Mart, special Awards, and a Library.

SCC Awards

In order to properly recognize those individuals and SCC Chapters that are working to advance Scandinavian Philately, SCC has established a number of awards in three categories: Service Awards, Exhibition Awards, Chapter Awards.

I. Service Awards

The Scandinavian Collectors Club confers recognition on those members of the Scandinavian philatelic community who demonstrate outstanding service. This recognition may be in the form of Honorary Membership, the Carl E. Pelander Award, or the Earl Grant Jacobsen Award.

These honors are presented at suitable intervals, based on recommendations made by any member or chapter of the Club. A recommendation shall be accompanied by a written statement of the qualifications of the candidate. All recommendations shall be mailed to the Secretary of the Club. Prior to any meeting of the Board of Directors, the secretary shall mail copies of all recommendations to the members of the Board, together with copies of the statements of qualifications received by him. The Board may defer action on the recommendations to a subsequent meeting, or act at the first presentation of such recommendations. Upon affirmative vote of a majority of the Board, the award shall be made.

A suitable plaque shall be given to the recipient of the award. The presentation shall take place at a regional or national meeting of the Club.

Carl E. Pelander Award

This award was created in 1968 to perpetuate the memory of one of the founding members. His outstanding characteristic was his willingness to assist his fellow philatelists in all phases of Scandinavian philately. The award is presented to

members of SCC for outstanding work in furthering the aims of the Club. Awards have been made to date as follows:

- 1968 — Carl H. Werenskiold
- 1972 — Harlan W. Miller
- 1974 — Frederick A. Brofos
- 1979 — Marvin D. Hunewell
- 1983 — Joe F. Frye

Earl Grant Jacobsen Award

This award was created in 1975 as a memorial to Dr. Earl Grant Jacobsen, a longtime member and past President of SCC, as well as a noted student of Norwegian and Scandinavian philately. Dr. Jacobsen was always ready to share his philatelic knowledge with other collectors, and did so in many ways both privately and publicly.

This award is given in recognition of outstanding philatelic research serving to further advancement of Scandinavian philately. Philatelic research may be construed to be "material" such as in-depth research prepared for the collecting public, or "inspirational" wherein the recipient has lent his expertise and good fellowship to other students of Scandinavian philately. Awards have been made to date as follows:

- 1977 — Eric B. T. Kindquist
- 1977 — Carl H. Werenskiold
- 1982 — Victor E. Engstrom
- 1984 — Robert G. Stone

II. Exhibition Awards

SCC has two awards available for presentation at Exhibitions. These are the SCC National Award and the SCC Award Medals.

SCC National Award

The SCC National Award is presented to the best Scandinavian exhibit at the SCC National Convention each year. The award consists of a fine piece of Swedish crystal, a Corona Bowl made by Orrefors Glass Works in the province of Smaland, a glass-making center of Sweden. The nine-inch bowl has eight flat faces, and on one of these faces a detailed line by line reproduction of the SCC posthorn is engraved along with the year. The bowl for the SCC National Award is made available each year through the generosity of SCC members Scott and Joanna Taylor.

The three winners of the SCC National Award to date are:

- 1983 Michael E. Falls, "Iceland: 1873-1944", NAPEX '83, Washington, D.C.
- 1984 Kauko I. Aro, "Finland Postal Cards", Philatelic Show '84, Boston, MA.
- 1985 "Vi King", "Norway 1855-1875", WESTPEX '84, San Francisco, CA.

SCC Award Medals

This award is to recognize outstanding exhibits of Scandinavian philately, and to act as an incentive to encourage the collecting, study and display of Scandinavian philatelic material.

Membership in SCC is not required to be eligible for this award and the following regulations govern the receipt of the SCC Medal:

1. The exhibit must be of Scandinavian material. Non-Scandinavian material may be included in the exhibit if it does not exceed 10% of the exhibit and it must be directly related to the subject.

2. Presentation rules for an SCC Medal and award Certificate:

- a. **BRONZE MEDAL** — will be awarded to the top exhibit where there are at least three (3) exhibits containing thirty (30) or more pages each in the competition.
- b. **SILVER & BRONZE MEDAL** — will be awarded to the top exhibits when

there are at least six (6) exhibits containing thirty (30) or more pages each in the competition.

- c. **GOLD MEDAL** — will be awarded only when there are at least ten (10) exhibits containing thirty (30) or more pages each in the competition.

The SCC award should not replace show awards, but should be given in addition to them, and should be presented when other awards are given. Judges have full discretion in making awards, using their own standards in accordance with SCC regulations previously given. Award levels should be based on the same judging standards as those used for other exhibits. An exhibit which previously won an SCC award is not eligible for the same award again; however it is eligible for a higher award.

The SCC members, if available, will act as advisory consultants to the Panel of Judges at any given exhibition to confirm compliance with the SCC award requirements.

On the presentation of any SCC award, the host club will furnish SCC with a list of winners of each award, including Title of Exhibit, Synopsis of Display, Name and Address of Exhibitor.

The engraving of an SCC medal is the responsibility of the recipient. The SCC Award Medals were designed by member Bradley J. Arch.

III. SCC Chapter Award

A Chapter Award is to be presented to the SCC Chapter which exhibits the best display at a national SCC meeting, where the chapters will compete in a special Chapter Class. The Award will consist of a suitable memento as selected by the Awards Chairman of the Scandinavian Collectors Club.

SCC Executive Secretary

In order to better facilitate handling of records of the Club, the Board of Directors, in 1982, authorized the appointment of the Club's only paid employee, an Executive Secretary.

The Executive Secretary is responsible for the maintenance of Club records, payment of dues, maintenance of membership lists, etc.

The first Executive Secretary was Richard Diran who served from 1982 through the date of his death, October 22, 1983. His successor and current Executive Secretary is William H. Lamkin, P. O. Box 302, Lawrenceville, GA 30246.

Members desiring information about the club, application blanks, information pertaining to dues, etc. should send inquiries direct to the Executive Secretary. Changes of Address should also be sent to him.

SCC Chapters

Under the SCC By-Laws, six or more members of the Club living in the same geographical area may associate themselves together to form a Chapter. Since the Club's founding, a total of 22 Chapters have been formed. These are listed below. Once a Chapter number is assigned it is not withdrawn, even when the Chapter becomes inactive as some of the Chapters have been reactivated from time to time. SCC Library

A comprehensive library pertaining to Scandinavian philately is maintained for the benefit of SCC members, with materials available for loan, or for reproduction of specific articles. In addition, the SCC Library contains a number of audio-visual programs on 35mm slides accompanied either by typescript or cassette narration.

The library can be used by any SCC Member and the following rules govern the

operation of the Library:

1. Circulation is made only to SCC members in good standing. When ordering, give your SCC Membership Number. Certain items are not circulated, and are so stipulated in the listings.
2. Send check for \$4.00 U.S. Funds payable to SCC Librarian. Excess postage will be refunded.
3. Members pay cost of insured parcel post shipment to and from the Library and are responsible for return of material in the same condition as received.
4. Material must be returned within 21 days unless prior permission is obtained for delay.
5. Photocopies are ten cents (10¢) per page, plus postage.
6. Member requests for literature should be listed as in the SCC Library Index. If material is not listed, give as complete a description as possible. The Librarian will make every effort possible to assist in such cases.
7. All inquiries should be sent to: Stanley H. Hanson, SCC Librarian, 1648 Campbell Avenue, Des Plaines, IL 60016.

NOTE: Copies of the SCC Library Index dated November 1982 may be obtained from Fred H. Bloedow, 810 Dobson Street No. 1A, Evanston, IL 60202. The cost per copy is \$2.00.

SCC Study Groups

Much of the research work carried out by SCC members in specialized areas of Scandinavian collecting is accomplished through study groups or units. There is no formality required for several collectors to get together to study a particular area. The results of the research may be published by SCC as articles within the pages of THE POSTHORN, as separate supplements to THE POSTHORN, or privately by the study group. The important thing is to make the results of the research and conclusions available to the philatelic community.

The following groups are currently active on various projects. Collectors desiring to work with the study groups or to contribute information should contact the chairmen direct:

1. SWEDEN RING-TYPE STAMP STUDY UNIT — focuses on the "ring" type stamps of Sweden, especially the classic period issue of 1872-1877 (perf. 14). Chairman: Arthur J. Anderson, Jr., Apt. J-309, 865 Central Avenue, Needham, MA 02192.
2. DANISH WEST INDIES STUDY UNIT — currently producing the multi-volume handbook "Danish West Indies Mails, 1754-1917". Chairman: Victor E. Engstrom, 2655 Pebble Beach Drive, Clearwater, FL 33519.
3. ICELAND PHILATELIC STUDY COMMITTEE — developing a handbook of Iceland postal markings. Chairman: Wayne C. Sommer, 19411 Brassie Place, No. 201, Gaithersburg, MD 20760.

SCC Estate Labels

SCC offers an adhesive label, measuring 2x2½ inches, which can be placed inside members' albums, stockbooks, and literature. It is designed to help guide relatives or executors of estates left by members, so that equitable value will be obtained, and the collection disposed of through proper philatelic channels. SCC Chapter 17 in Southern California has permitted use of their postal address and members of their Advisory Committee to help in these matters.

The labels are offered gratis by SCC as a service to members, and can be obtained by sending a request, indicating the number of labels needed, and a SAE to SCC Secretary Wayne P. Rindone, Box 276, Newtonville, MA 02160. The label reads:

ATTENTION: EXECUTOR

The collector of this material was a member of the Scandinavian Collectors Club, P.O. Box 57397, Los Angeles, CA 90057. The Club has an Advisory Committee to protect members and their heirs against unscrupulous buyers. Please contact the Committee before you sell this collection. An unbiased estimate of the value of these items will be made without cost. The Committee is prepared to provide a detailed appraisal at cost if such is required.

SCC Pins

SCC members can be readily recognized at philatelic shows by wearing the SCC gold pin. The pin stands out due to its striking Viking ship motif. It may be used as a tie tack or worn on the lapel.

The SCC pin can be obtained from Ronald B. Collin, Box 63, River Grove, IL 60171, by sending a check or money order for \$5.

Scandinavian Stamp Mart

A Service of the Scandinavian Collectors Club
P.O. Box 3781, Orlando, FL 32802

Regulations

I. GENERAL

1. The Scandinavian Stamp Mart (S.S.M.) is a service for the buying and selling of Scandinavian philatelic material only, and is operated exclusively for members of the Scandinavian Collectors Club (S.C.C.)

2. While S.S.M. maintains insurance for philatelic material in its custody, it shall not be liable for possible loss or damage to material in the hands of a buyer, who is solely responsible for material entrusted to him. S.S.M. will, however, act as agent for a seller in the event of loss.

3. All material to be sold through S.S.M. must be mounted in special sales books which are available from the Mart Manager at prices published in THE POSTHORN. Currently there are three types available:

Type F: 16 page, 192 space (blue cover) book designed for stamps with a Net Sales Value of at least \$35.00. (This is the "Standard" sales book.)

Type C: 20 page, 500 space (beige cover) book designed for stamps with a Net Sales Value of at least \$35.00. (To be used until supply is exhausted).

Type D: 40 page, 1000 space (green cover) book designed for stamps with a Net Sales Value of at least \$35.00. (To be used until supply is exhausted).

Sales Books of Type A (12 page, 144 space, blue cover); Type B (6 pages, 72 space, yellow cover); and Type E (10 page, 120 space, 4 color covers) remain acceptable provided each contains a Net Sales Value of at least \$35.00.

4. Sales books of stamps are accepted and retired at the discretion of the Mart Manager, who shall not be responsible for classification or pricing of stamps therein. When possible, corrections will appear (green ink) for the guidance of buyers.

5. All sales are final, and full payment must accompany the returned Mart books (check or money order should be made payable to "Scandinavian Stamp Mart"). Foreign (including Canadian) checks and money orders will NOT be accepted unless drawn on a United States bank and payable in United States dollars as par.

6. S.C.C. Chapters desiring selections of Mart books must appoint a Chapter Mart Representative who will exclusively handle the chapter's business with S.S.M.

7. The Chapter Mart Representative is charged with the receipt, handling, and return of Mart books. He will retain 5% of the net sales amount in excess of \$60.00 to defray the cost of return postage and registration of the shipment. It is suggested that Chapters underwrite any additional expenses in the few cases involving exceptionally large shipments.

8. The Mart Manager is not able to handle want lists for specific stamps.

II. SELLERS

1. Sellers will have a 20% service charge deducted when payments are made. There will be no charge for stamps not sold. The service charge reflects sales commission and other expenses essential to the operations of S.S.M.

2. Stamps should be mounted with NEW hinges in catalog sequence, one stamp to a space. No overlapping or mounting beyond space or page area will be permitted, i.e.: two or more spaces should be used for pairs, blocks, covers, etc. If possible, a Mart book should contain material from only one country.

3. Use only BLACK or BLUE ink to mark catalog numbers, catalog values and Net sales prices. Pencil or colored inks are not acceptable (Green ink is for the exclusive use of the Mart Manager). Sellers must indicate in the space provided on the inside front cover of the Mart book which catalog is used for classification.

4. Sellers are advised that buyers are familiar with "Scott" and "Facit" catalogs, and experience indicates that used stamps sell well when priced at about 1/3 Scott. Do not try to sell at much higher prices unless a classic rarity is involved. Mint stamps usually sell for a little more. The Mart Manager may return books if, in his opinion, the material is overpriced and might not sell.

5. Sellers must total each row (on line extension) and total each page, and furnish the Mart Manager with the total value of each book in a separate note. Under no circumstances shall anyone write anything on the outer covers of the Mart books, those being for the exclusive use of the Mart Manager.

6. Philatelic covers are desired and permitted with limitations. Due to weight, only TWO 20th Century covers are allowed per book (fillers or stiffeners must be removed). Classic covers, with original letters or explanations, are of course welcome in any quantity. Covers should not extend beyond the edge of a page, and should be mounted securely with mounting corners.

7. New Mart books must have a net (retail) value of at least \$35.00.

8. Under no circumstances may blank pages be removed. If not used, just cross them off.

9. Damaged stamps (tears, repairs, rounded corners, thin, etc.) are not usually wanted — unless they are desirable varieties or cancels and are offered at substantial discount from catalog prices.

10. Retirement of Mart books will be at the discretion of the Mart Manager. However, books are ordinarily retired at 18 to 21 months. Retired books will be returned to owners with a full and final accounting. Sellers who wish their book(s) retired earlier should give the Mart Manager reasonable notice.

III. BUYERS

1. Individual members may, upon request, and within availability of requested material, receive shipments of Mart books directly from the Mart Manager.

2. An individual buyer shall, within 10 days, return Mart books entrusted to him with full accounting of purchases on the prescribed sales report forms and payment in full for purchases. To avoid incorrect charges, the buyer shall mark his name or initials or S.C.C. number in the upper left portion of each space from which a stamp is removed. For sales through Chapter Mart Representatives, the Chapter Mart Representative shall check chapter sales and mark the upper right portion of the space from which a stamp was removed with his Chapter rubber stamp (furnished by S.S.M.). The lower half of each space is reserved for the audit stamp of the Mart Manager.

3. Please respect and handle the Mart books with care — as if they were your property, because you are responsible for all stamps removed, whether the spaces from which they were removed are numbered, initialed, named or blank!

4. Please report discrepancies immediately upon receipt of books to the Mart Manager on a separate paper. Do not write anything in the Mart books except your name, initials or S.C.C. number in the space(s) from which you remove stamp(s).

(c) Honorary membership may be conferred at the discretion of the Board of Directors on any person for outstanding achievement in Scandinavian philately or for activities extraordinarily benefiting the Club. Nominations for honorary membership shall be made in writing to the Secretary, and be signed by at least six members in good standing. Each nomination shall be reviewed by a temporary national committee which shall report its findings in writing to the Secretary.

Section 6. Good Standing. An Active member shall cease to be in good standing when his dues for any calendar year shall not have been paid by June 30 of that year.

Section 8. Record Date for Voting. The Board may fix any date not less than ten (10) nor more than fifty (50) days prior to any meeting or mailing of ballots as a record date for membership and good standing for that meeting or vote. If no record date is fixed, the record date shall be the date of mailing (in the case of a vote by ballot) or the date of the meeting. The record date for election of officers and for any ballot submitted with the election ballot shall be October 15.

Section 9. Resignation. Any member may resign by submitting a written letter of resignation to the Secretary, provided that any resignation by a member who has any outstanding obligation to the Club or who is the object of any proceeding for expulsion shall not be effective unless and until approved by the Executive Committee.

(d) Any member found guilty by the Executive Committee of any conduct which has been declared by general resolution of the Club or by the Board of Directors to be unbecoming a member shall be suspended for a definite period or expelled from the Club as herein provided.

(e) Charges of such conduct shall be in writing, and may be preferred by the Membership Committee or by any officer or by any member in good standing. All charges shall be definite and specific. Charges shall be filed with the President. If the President finds that the charges are sufficient and that mediation will not resolve the problem, he shall refer the matter to the Membership Committee for investigation and hearing. A copy of the charges and notice of the time and place of hearing them shall be given to the member against whom they are preferred, either in person or by certified mail, not less than thirty days prior to the date fixed by the Membership Committee for the hearing thereof. On or before that date the member against whom the charges have been preferred shall have the right to file an answer in writing to the charges against him.

(f) Charges preferred against a member shall be investigated in such manner as the Membership Committee thinks proper. At the hearing of such charges the Executive Committee shall consider the results of its investigation and all evidence, including correspondence and other documents, submitted in support of and in defense against the charges and shall make findings in writing thereon, and in case it finds the charges are sustained, shall recommend the penalty of suspension for a definite period or expulsion. The Membership Committee shall report its findings and recommendation to the Executive Committee and shall serve a copy thereof upon the

member involved by registered or certified mail, return receipt requested. The member may file objections to the report with the Executive Committee within twenty-one days of the mailing of the report to him. The findings of the Executive Committee and the penalty imposed when the charges are sustained shall be entered upon the journal of the Executive Committee and a separate file of all data pertaining thereto shall be permanently preserved by the Secretary.

The notice of appeal shall be filed with the Secretary within 30 days of receipt of notice of the findings of the Executive Committee. The Executive Committee shall thereupon transmit to the Board of Directors all evidence and other data in its possession relating to the charges, and the appeal shall be determined by the Board of Directors without undue delay. The findings of the Executive Committee and the penalty imposed by it shall be final if no appeal is taken.

Section 12. Reinstatement. (a) Any former member who has resigned from the club while in good standing shall be reinstated upon his written application and upon payment of dues which would have been required of him as a new applicant.

(b) Such application for reinstatement shall be in the same form and subject to the same procedures as a new applicant.

Section 13. No Transfer. Membership in the Club shall not be transferable or assignable.
