BRIEF HISTORY OF THE SCC

On November 25, 1990, the SCANDINAVIAN COLLECTORS CLUB will be celebrating its 55th Anniversary. During that 55 year period there were four definite eras in its development.

The first era, "Finnish-American Stamp Club," started when six collectors met and organized the Club on November 25, 1935 in New York City. It continued under this name until February 13, 1942, when 17 members met, 14 voting to change the name of the organization to the "Scandinavian Collectors Club of New York."

The second era is the "New York" era. By November, 1943, the Club had 42 members and published the first issue of THE POSTHORN. There were two categories of membership, resident (New York City area) and non-resident. Only resident members were officers of the Club, but separate chapters were encouraged. The end of this era probably started in 1958. By then, over 800 membership numbers had been assigned and six chapters had been organized. In late 1959, the members voted to change the name of the Club to the "SCANDINAVIAN COLLECTORS CLUB."

The third era is the "CHICAGO" era, or more appropriately, the "national" era. On April 26, 1960, the Club was incorporated in the State of Illinois and all officers were from that area. There were again two membership categories, active (residents of the USA) and associate members. Only active members had voting rights. The Board of Governors was expanded to include the Chapter Presidents. After operating from Chicago for six years, the Board decided to broaden the geographical area represented by the officers.

The fourth era, "the international era," came into being when on June 22, 1972, a new set of By-Laws was adopted and the Club was reincorporated in the State of Maryland. All members, no matter where residing, had equal voting rights. A new group, the Executive Committee, was formed to run the Club when the full Board of Directors were not available for a quorum. Except for minor changes, the By-laws have remained unchanged since that date. Some changes are incorporated in the By-Laws as printed herein.

The first issue of THE POSTHORN, the Club's official publication, was dated November, 1943 and was an 8-page typeset publication. This has grown into the modern "Bank of Scandinavian Philatelic Knowledge," as the new POSTHORN which averages from 64 to 80 pages per issue.

Over the years, many other services were added including Study Groups, a Stamp Mart, special Awards and an extensive Library.

SCC AWARDS

In order to properly recognize those individuals and SCC Chapters that are working to advance Scandinavian Philately, SCC has established a number of awards in three categories: Service Awards, Exhibition Awards and Chapter Awards.

SERVICE AWARDS

The Scandinavian Collectors Club confers recognition on those members of the Scandinavian philatelic community who demonstrate outstanding service. This recognition may be in the form of Honorary Membership, the Carl E Pelander Award, or the Earl Grant Jacobsen Award.

These honors are presented at suitable intervals, based on recommendations made by any member or chapter of the Club. A recommendation shall be accompanied by a written statement of the qualifications of the candidate. All recommendations shall be mailed to the Secretary of the Club. Prior to any meeting of the Board of Directors, the Secretary shall mail copies of all recommendations to the members of the Board, together with copies of the statements of qualifications received by him. The Board may defer action on the recommendations to a subsequent meeting, or act at the first presentations of such recommendations. Upon affirmative vote of a majority of the Board, the award shall be made.

A suitable plaque shall be given to the recipient of the award. The presentation shall take place at a regional or national meeting of the Club.

CARL E PELANDER AWARD

This award was created in 1968 to perpetuate the memory of one of the founding members. EARL GRANT JACOBSEN AWARD

This award was created in 1975 as a memorial to Dr Earl Grant Jacobsen, a longtime member and a Past President of SCC, as well as a noted student of Norwegian and Scandinavian philately. Dr Jacobsen was always ready to share his philatelic knowledge with other collectors, and did so in many ways both privately and publicly.

This award is given in recognition of outstanding philatelic research serving to further the advancement of Scandinavian philately. Philatelic research may be construed to be "material" such as in-depth research prepared for the collecting public, or "inspirational" wherein the recipient has lent his expertise and good fellowship to other students of Scandinavian philately. EXHIBITION AWARDS

SCC has two awards available for presentation at Exhibitions. These are the SCC National Award and the SCC Award Medals.

SCC NATIONAL AWARD

The SCC National Award is presented to the best Scandinavian exhibit at the SCC National Convention each year. The award consists of a fine piece of Swedish crystal, a Corona Bowl made by Orrefors Glass Works in the province of Smaland, a glass making center of Sweden. The nine inch bowl has eight flat faces, and on one of these faces a detailed line by line reproduction of the SCC posthorn engraved along with the year. The bowl for the SCC National Award is made available each year through the generosity of Scott and Joanna Taylor. The winners of the SCC National Award to date are:

- 1983 - Michael E Falls, "Iceland: 1873-1944", NAPEX '83, Washington, DC
- 1984 - Kauko Aro, "Finland Postal Cards", Philatelic Show '84 Boston, MA
- 1985 - "Vi King", "Norway 1855-1875", WESTPEX, '84, San Francisco, CA
- 1987 - H. Tysland, "The Posthorn, Norway-Research Collection Showing Printing, Covers and Blocks of the Norwegian Posthorn Stamps of 1877", BALPEX, Baltimore, MD.
- 1988 - Dr. Gene Scott, "Denmark: The Skilling Issues", SESCOAL 88, Los Angeles, CA.

SCC AWARD MEDALS

This award is to recognize outstanding exhibits of Scandinavian Philately, and to act as an incentive to encourage the collecting, study and display of Scandinavian philatelic material. Membership in the SCC is not required to be eligible for this award and the following regulations govern the receipt of the SCC Medal:

1. The exhibit must be of Scandinavian material. Non-Scandinavian material may be included in the exhibit if it does not exceed 10% of the exhibit and it must be directly related to the subject.
2. Presentation rules for an SCC Medal and an award Certificate:
 - a. BRONZE MEDAL - Will be awarded to

the top exhibit where there are at least three (3) exhibits containing thirty (30) or more pages each in the competition.

b. SILVER & BRONZE MEDAL - will be awarded to the top exhibits when there are at least six (6) exhibits containing thirty (30) or more pages each in the competition.

c. GOLD MEDAL - will be awarded only when there are at least ten (10) exhibits containing thirty (30) or more pages each in the competition.

The SCC award should not replace show awards, but should be given in addition to them, and should be presented when other awards are given. Judges have full discretion in making awards, using their own standards in accordance with SCC regulations previously given. Award levels should be based on the same judging standards as those used for the other exhibits. An exhibit which previously won an SCC award is not eligible for the same award again; however, it is eligible for a higher award.

The SCC members, if available, will act as advisory consultants to the Panel of Judges at any given exhibition to confirm compliance with the SCC award requirements.

On the presentation of any SCC award, the host club will furnish SCC with a list of winners of each award, including Title of Exhibit, Synopsis of the Display, and Name and Address of Exhibitor.

The engraving of an SCC Medal is the responsibility of the recipient. The SCC Award Medals were designed by SCC member Bradley J Arch.

SCC CHAPTER AWARD

A Chapter Award is to be presented to the SCC Chapter which exhibits the best display at a national SCC meeting, where the chapters will compete in a special Chapter Class. The award will consist of a suitable memento as selected by the Awards Chairman of the Scandinavian Collectors Club.

The Executive Secretary is responsible for the maintenance of Club records, payment of dues, maintenance of membership lists and such other duties as may be delegated by The President and/or the Board of Directors.

The first Executive Secretary was Richard Diran who served from 1982 through the date of his death, October 22, 1983. His successor and current Executive Secretary is William H Lamkin, P O Box 302, Lawrenceville, GA 30246-0302.

SCC CHAPTERS

SCC STUDY GROUPS

Much of the research work carried out by SCC members in specialized areas of Scandinavian collecting is accomplished through study groups or units. There is no formality required for several collectors to get together to study a particular area. The results of the research may be published by SCC as articles within the pages of THE POSTHORN, as separate supplements to THE POSTHORN, or privately by the study group. The important thing is to make the results of the research and conclusions available to the philatelic community.

SCANDINAVIAN STAMP MART
A Service of the Scandinavian Collectors Club
P O Box 3781, Orlando, Florida 32802

REGULATIONS

I. GENERAL

1. The Scandinavian Stamp Mart (SSM) is a service for buying and selling Scandinavian philatelic material only, and is operated exclusively for members of the Scandinavian Collectors Club (SCC).

2. SSM is covered under the APS Insurance Plan for all philatelic material in its custody, and under the APS Transit Insurance Plan for all philatelic material while in "transit, in custody, and in return transit" to/from subscribers (the latter on a cost payment basis). SSM will serve as agent for the SCC in case of any loss sustained while in "approved transit" or "in custody" of a subscriber.

3. All material sold through SSM must be mounted in special sales books (hereinafter referred to as Mart Books) which are available from the Mart Manager. Currently there are three types available:

TYPE F: 16 page, 192 space, blue cover book designed for stamps with a minimum NET SALES VALUE OF \$35.00. This is the "standard Mart Book. Cost is 50 cents each postpaid; however, due to high costs of postage, request a minimum of four (4) copies.

TYPE C: 20 page, 500 space, beige cover book designed for stamps with a minimum NET SALES VALUE OF \$35.00. Cost is 45 cents each plus postage. To be used until supply is exhausted.

TYPE D: 40 page, 1000 spaces, green cover book designed for stamps with a minimum NET SALES VALUE OF \$35.00. Cost is 45 cents each plus postage. (To be used until supply is exhausted).

Sales books of Type A (12 page, 144 spaces, blue cover); Type B (6 pages, 72 spaces, yellow cover); and Type E (10 pages, 120 spaces, 4 color covers (blue, yellow, orange, green) remain acceptable provided each contains a minimum NET SALES VALUE OF \$35.00

4. Mart Books are accepted and retired at the discretion of the Mart Manager, who shall not be responsible for classification or pricing of stamps therein. When possible, corrections will appear (in green ink) for the guidance of buyers.

5. All sales are final. Payment in full for all purchases must accompany returned Mart Books (check or money order should be made payable to "Scandinavian Stamp Mart") Foreign (including Canadian) checks and money orders will not be accepted unless drawn on a United States bank and payable in United States dollars at par.

6. SCC Chapters desiring selections of Mart Books must appoint a Chapter Mart Representative who will exclusively handle the Chapter's business with SSM.

7. The Chapter Mart Representative is charged with the receipt, handling, and return of Mart Books. He or she will retain 5% of the net sales amount in excess of \$60.00 to help defray the cost of return postage and Certified Mail Fee on the shipment. It is suggested that Chapters underwrite any additional expenses in the few cases involving exceptionally large shipments.

8. The Mart Manager is unable to handle want lists for specific stamps.

II. SELLERS

1. Sellers will have a 20% Service Charge deducted when Mart Books are retired. There is no charge for items not sold. The Service Charge reflects sales commission and other expenses essential to the operation of the SSM.

2. Stamps should be mounted with NEW in catalog sequence, one stamp to a space. No overlapping or mounting beyond space or page area will be permitted, i.e. - two or more spaces should not be used for pairs, blocks, covers, etc. If possible, a Mart Book should contain material from one country

3. Use only BLACK or BLUE ink to enter catalog numbers, catalog prices and Net Sales Prices. Pencil or colored inks are not acceptable (GREEN ink is reserved for the exclusive use of the Mart Manager). Sellers must indicate in the space provided on the inside front cover of the Mart Book which catalog is used for classification.

4. Sellers are advised that buyers are familiar with "Facit" and "Scott" catalogs. Due to the newly published condition of standards and pricing thereof in both the "Nya FACIT" for 1990,

and "Scott" for 1990, no guidance can be suggested at this time for pricing. However, it is advisable to read the "small print" in both catalogs as to sale of fairly modern unused but hinged stamps. It is understood that the "1990 Nya FACIT" has priced Sweden cancelled 1855-1899 in Condition BA+ and that "Scott" has priced in F-VF condition throughout. The 1990 FACIT does not indicate but in the past has priced all material in AB condition. A 'rule of thumb' for many years has been that FINE quality Scandinavian stamps will sell extremely well when fairly priced.

5. Sellers must total each row (on the line extension) and total each page and furnish the Mart Manager with a total value of each book in a separate note. Under no circumstances shall anyone write anything on the outer covers of the Mart Books, those being for the exclusive use of the Mart Manager.

6. Philatelic covers are desired and permitted with limitations. Due to weight, only TWO 20th Century covers are allowed per book (fillers or stiffeners must be removed). Classic covers, with original letters or explanations, are, or course, welcome in any quantity. Covers should not extend beyond the edge of a page, and should be mounted securely with mounting corners.

7. New Mart Books must contain a minimum Net (selling) value of \$35.00.

8. Under no circumstance may blank pages be removed. If not used, just cross them off.

9. Damaged stamps (tears, repairs, rounded corners, thins, etc.) are not usually wanted - unless they are desirable varieties or cancels and are offered at very substantial discounts from catalog prices. All defects, including damaged perfs, perforations, thins, tears, repairs, etc. should be noted in the space in which the item is mounted.

10. Retirement of MART Books will be at the discretion of the Mart Manager. However, books are ordinarily retired at 18 to 21 months. Retired books will be returned to owners with a full and final accounting. Sellers who wish their book(s) retired earlier should give the Mart Manager reasonable notice.

III. BUYERS

1. individual members may, upon request and with-in availability of requested material, receive shipments of Mart Books directly from the Mart Manager

SCC ESTATE LABELS

SCC offers an adhesive label, measuring 2 x 2 1/2 inches, which can be placed inside member's albums, stockbooks, and literature items. It is designed to help guide relatives or executors of estates left by members, so that equitable value will be obtained, and the collection disposed of through proper philatelic channels. SCC Chapter 17 in Southern California has permitted use of their postal address and members of their Advisory Committee to help in these matters.

The labels are offered gratis by SCC as a service to members, and can be obtained from the Executive Secretary, P O Box 302, Lawrenceville, GA., 30246.

The label reads:

ATTENTION: EXECUTOR

The collector of this material was a member of The Scandinavian Collectors Club, P. O. Box 57397, Los Angeles, CA 90057. The Club has an Advisory Committee to protect members and their heirs against unscrupulous buyers. Please contact the Committee before you sell this collection. An unbiased estimate of the value of these items will be made without cost. The Committee is prepared to provide a detailed appraisal at cost if such is required.

SCC PINS

SCC members can readily be recognized at philatelic shows by wearing the SCC gold pin. The pin stands out due to its striking Viking ship motif. It can be obtained from Ronald B. Collin, P O Box 63, River Grove, IL 60171, by sending a check or money order for \$5.00 US.

SCC LIBRARY

The Scandinavian Collectors Club maintains a comprehensive library pertaining to Scandinavian philately for the benefit of its members. Books will be mailed out and photocopies of specific articles will be made available upon request. An SCC Library Index, with supplement(s), is available from the Librarian for \$2.00 US for postage. Over 1200 titles are to be found plus copies of most of the Scandinavian philatelic journals.

The following rules govern the operation and use of the Library:

1. Library usage will be limited only to SCC members in good standing. Give your Membership Number with your request. Certain items not circulated are annotated in the index.
2. Members pay the cost of shipment at the Insured Library Rate (fourth class plus insurance) from and to the SCC Library. They are responsible for the return of material in the same condition as received.
3. Upon receipt of Library material, the member is to send a check covering postal and estimated handling cost, plus photo-copying charges as applicable.
4. Material must be returned within 21 days unless prior arrangements have been made.
5. Photocopying at ten cents (10c) per page (8 1/2 x 11) will be done on a limited basis due to reliance on commercial copy machines.
6. Members request for literature not found in the Index must include full details about information desired. The Librarian will make a reasonable effort to assist in such cases.
7. Club Programs: Suggestions will be offered based on the excellent slide and exhibit collection units available at the time of request.
8. All inquiries regarding library material should be addressed to: Dr. W. E. Melberg, SCC Librarian, P O Box 134, Allenton, WI., 53002. Prepaid telephone calls are welcome. Phone (414) 629 5251.

THINGS TO PONDER ABOUT:

Have you thought about exhibiting your philatelic wonders?

Do you talk Scandinavian philately when you go to your local meetings, shows, etc.?

Have you tried to get new members there?

Do you have items that you are not using that would be good items to donate to our library?

Or even to a local library?

A school library, perhaps?

The Board of Directors may fix an application fee to be paid by all new members. No dues shall be paid by Life or Honorary members.

Section 4. Approval. The Secretary shall approve the application of any person who appears to be of good character and who certifies that he has never been expelled from membership in any philatelic society or club and may, in his discretion, disapprove the application of any person who does

not appear to be of good character or who does not so certify. Applications not approved shall be returned to the applicant. Any applicant whose application is not approved may request reconsideration by the Membership Committee, consisting of the Vice President as Chairman and two members in good standing appointed by the President, which shall make such investigation as it deems appropriate. The applicant may submit any pertinent information. The decision of the Membership Committee shall be final.

Section 5. Classification. Membership shall consist of Active, Life, and Honorary members.

(d) Family Membership - A sub-category of Active members is designated as a Family member. A Family member is an immediate relative of a member in good standing, residing at the same address. A Family member has the same rights and privileges as the member in good standing except he does not receive issues of the official journal.

the date of the meeting. The record date for election of officers and for any ballot submitted with the election ballot shall be October 15.

Section 9. Resignation. (d) Any member found guilty by the Executive Committee of any conduct which has been declared by general resolution of the Club or by the Board of Directors to be unbecoming a member shall be suspended for a definite period or expelled from the Club as herein provided.

(e) Charges of such conduct shall be in writing, and may be preferred by the Membership Committee or by any officer or by any member in good standing. All charges shall be definite and specific. Charges shall be filed with the President. If the President finds that the charges are sufficient and that mediation will not resolve the problem, he shall refer the matter to the Membership Committee for investigation and hearing. A copy of the charges and notice of the time and place of hearing them shall be given to the member against whom they are preferred, either in person or by certified mail, not less than thirty days prior to the date fixed by the Membership Committee for the hearing thereof. On or before that date the member against whom the charges have been preferred shall have the right to file an answer in writing to the charges against him.

(f) Charges preferred against a member shall be investigated in such manner as the Membership Committee thinks proper. At the hearing of such charges the Executive Committee shall consider the results of its investigation and all evidence, including correspondence and other documents, submitted in support of and in defense against the charges and shall make findings in writing thereon, and in case it finds the charges are sustained, shall recommend the penalty of suspension for a definite period or expulsion. The Membership Committee shall report its findings and recommendations to the Executive Committee and shall serve a copy thereof upon the member involved by registered or certified mail, return receipt requested. The member may file objections to the report with the Executive Committee within twenty-one days of the mailing of the report to him. The findings of the Executive Committee and a penalty imposed when the charges are sustained shall be entered upon the journal of the Executive Committee and a separate file of all data pertaining thereto shall be permanently preserved by the Secretary.

(g) When charges against a member are referred to the Membership Committee, immediate notice thereof shall be given by the President to the Secretary, and the findings of the Executive Committee and the penalty imposed under any subsection of this Section 11, if any, shall likewise be filed with him and entered upon his records. The findings of the Executive Committee and the penalty imposed, if any, shall be published once in the official journal.

(h) Any member found guilty by the Executive Committee of charges preferred against him may file with the Executive Committee a notice of appeal to the Board of Directors. The notice of appeal shall be filed with the Secretary within 30 days of receipt of notice of the findings of the Executive Committee. The Executive Committee shall thereupon transmit to the Board of Directors all evidence and other data in its possession relating to the charges, and the appeal shall be determined by the Board of Directors without undue delay. The findings of the Executive Committee and the penalty imposed by it shall be final if no appeal is taken.

Section 12. Reinstatement. (a) Any former member who has resigned from the Club while in good standing shall be reinstated upon his written application and upon payment of dues which would have been required of him as a new applicant.

(b) Such application for reinstatement shall be in the same form and subject to the same procedures as a new applicant.

(c) Any former Life member who has resigned shall be reinstated to Life membership upon his written application.

Section 13. No Transfer. Membership in the Club shall not be transferable or assignable.

Section 3. Regional Meetings. (a) Regional meetings of members may be held on such dates, at such places, and at such times, as the Board of Directors shall direct.

(b) No business shall be transacted at any regional meeting unless ballots for voting thereon have been mailed to all Board members not less than twenty-one (21) days prior to such meeting.

Section 4. Notice. (a) Notice of Conventions shall be given twice by publication in the official journal.

(b) Notice of National or Regional meetings shall be published in the official journal or otherwise mailed to members not less than twenty-one days prior to such meeting.

Section 5. Voting in Person or By Proxy. Any member may vote at any meeting in person or by proxy. No proxy shall be valid except for the meeting for which it is made or any adjournment thereof.

Section 6. Quorum. (a) A quorum for a Convention or national meeting shall be twenty-five members, including a quorum of the Executive Committee or of the Board of Directors, or forty members in the absence of a quorum of the Executive Committee or Board of Directors.

(b) A quorum for a regional meeting shall be twenty members, including at least three members of the Board of Directors.

(c) A quorum for an election of officers and directors shall be fifty (50) ballots.

ARTICLE IV - The Board of Directors

Section 1. General Powers. The affairs of the Club shall be managed by its Board of Directors.

Section 2. Number, Tenure and Qualifications.

(a) The number of members of the Board of Directors shall equal the sum of (1) the number of elected officers of the Club plus (2) the number of Active Chapters of the Club plus (3) one.

(b) Each elected officer of the Club shall serve as a member of the Board of Directors while he is an elected officer of the Club.

(c) Each Active Chapter shall elect, in a manner determined by such Chapter, one member of the Chapter to serve as a Director of the Club for a term of two calendar years and until his successor shall have been duly elected and qualified. 2. Have I tried to interest some youth to the joy and fun of stamp collecting?
3. Does my local school have a stamp club? If not, why not? What can I do to start one?
4. How many SCC members do I know locally? Is there enough to start a Chapter? Should I attempt to start a Chapter?

GIVE THE ABOVE ITEMS SOME THOUGHT AND PREPARE FOR A NICE LONG PERIOD OF SCANDINAVIAN PHILATELY.
